Text 1

Do you buy dinner at the supermarket?

Hello, my **name** (1) is Rocio and I am from **El Salvador** (2). My question is, do you buy **dinner** (3) at the supermarket?

Do I buy dinner at the supermarket? Sometimes whenever I'm **busy** (4), I buy dinner. At the supermarket, they have **pre-made** (5) foods that are very easy to heat up. I like to buy **sushi** (6) or **rice** (7) with vegetables, but I don't like to buy **fast** (8) food because it's not very healthy. I also don't like **frozen** (9) meals because they don't taste really fresh. So I buy **vegetables** (10) and **chicken** (11) and cook at home. The supermarket is very **convenient** (12) for me whenever I am busy because it has many **options** (13) for pre-made food. But I **prefer** (14) to cook if there is time.

And do you buy dinner at the supermarket?
